

The Town of Union Park Commission Life in our Midst: Native and Invasive Tree Species of the Conservancy

Saturday, Oct. 9, 2021 • 3:00 -5:30pm

(Rain or Shine) Light Snacks to Follow

at Town of Union Conservancy

1910 White Pine Dr • Eau Claire, WI 54703

You are invited to attend our 2nd Invasive and Native Field day, hosted by the Town of Union Park Commission! Staff from the Lower Chippewa Invasives Partnership, Inc. and Landmark Conservancy will be our guides.

Learn how to identify invasive common buckthorn and get hands-on experience with proper techniques as you help remove it from the Conservancy forest. You'll also get to hike on the trails, with stops along the way to learn tips of how to identify native trees. Approximate hike distance 1.5 miles. Bring gloves and dress appropriately for the weather with sturdy shoes. Tools will be provided, but bring your own if you wish.
