**Town Hall Ramp, Concrete, and Electrical project. Upgrades will be to accommodate social distancing for elections and tax season.**

Supervisor Jeff Bechard had a quote from Market & Johnson, this is the only quote as they were the only contractors that could get the work done before the election. Supervisor Jeff Whyte did contact Buesser Construction, but they said they would not be able to fit it in their work schedule.

Ramp would be from the North East door and continue to the parking lot. Market & Johnson will remove steps currently being used but will leave the handrails for the Town to use for other projects. Handrails will be completed as soon as they get them otherwise, they will put up wood rails at election.

Market & Johnson will also pour the concrete pillars for the parking lot light pillars.
