Parks Discussion

Sherman Creek-Utilizing the Witucki gift to improve the park was discussed. When weather permits in 2024 railroad ties and a railing to improve the entrance to the park are planned.

Barb will get a couple of bags of chicken grit from Fleet Farm to place in a container in the park. The grit can be used on icy areas.

Conservancy-Jennifer is getting the plans for the pavilion improvements to Jeff Whyte. He has a potential contractor who has previously worked for the town.

New Business

The 2024-25 Work Plan was discussed. As noted above in the Sherman Creek Park discussion improving the entrance to the park with railroad ties (tiered) and a railing.

Jennifer will contact a couple of teachers regarding development of an education outreach program.

Fred will get the wagon rides scheduled with the Johnsons for the Saturday, October 19, 2024 Fall Event

Next meeting Wednesday, March 6 @ 9:30am
